## ABOUT INTI

At INTI, our mission is to bridge the needs of tomorrow through the competencies our students gain today, empowering them to become the leaders, innovators and game changers of the future. We are committed towards ensuring our students gain the competencies needed for the workplace of the future, and to work alongside the digital transformations driving today's global businesses in the Fourth Industrial Revolution.

Through our innovative teaching and learning and extensive industry partnerships, we empower our students with the ability to work with smart machines, to process and analyse data for better decision-making, to learn about technologies that impact businesses and manufacturing processes, and to develop professional skills such as adaptability, working with multidisciplinary teams, problem-solving, and a thirst for lifelong learning.

By inspiring our students to explore their passions and discover their true potential through the right skills, tools and experiences, we continue to be a force of change in revolutionising education. Our commitment is to ensure exceptional graduate outcomes, and to transform our students into the dynamic leaders of the future – ones who will lead us in the Fourth Industrial Revolution, and beyond.

## INNOVATIVE Teaching & Learning

INTI integrates an array of proven approaches to teaching combined with revolutionary applications of technology in the classroom such as the innovative Blackboard Learning Management System.

Blackboard

With Blackboard, learning does not only happen in the classroom, it happens everywhere. It's a holistic, integrated system to collaborate and interact with fellow students and lecturers. Students can offer and gain feedback from their peers on coursework and perform self-assessments while learning in a safe, nurturing and holistic environment.

### GLOBAL RECOGNITION AND ACHIEVEMENT

Awarded to  
INTI INTERNATIONAL UNIVERSITY  
& COLLEGES for:

- Professional Development (2020, 2019 & 2017) •
- Student Success (2020 & 2019) •
- Leading Change (2018) •

### Supplementary Learning and Assessment Tools Used:

**3D Studio Broadcasting  
System Using The Most  
Advanced Virtual Studio  
Technology**

**Video Management  
And Creation Tools**

**Interactivity Building  
Software Ranging From  
Games, Quizzes, Simulations,  
Presentations And More**

**Online Assessment Platform  
with Online Remote Proctoring**

**Software To Support Feedback  
Processes Including Course  
And Lecturers' Evaluations**

### INDUSTRY RELEVANCE

INTI has established a strong collaborative network with key leading companies in the industry and has been at the forefront of education innovation by offering an academic curriculum that is not only industry relevant but also immensely effective.

## INDIVIDUAL Development

INTI endeavours to include practical experiences in every programme it offers. From practical workshops taught by local and international guest lecturers and industry practitioners who share the ins and outs of the working world, to hands-on practical projects initiated by potential employers.

### THE MENTOR-MENTEE PROGRAMME

Expand your social circles and future horizons

New students at INTI are paired up with a senior student who acts as a role model and offers assistance in easing them into academic life. The mentor-mentee programme supports new students to form social bonds and helps them become a part of the close-knit INTI community. These social bonds provide a significant part of the support a student receives during their journey at INTI.

### PARENT / TEACHER MEETINGS

Get valuable feedback and grow

To keep abreast of a student's academic progress at INTI, both students and lecturers have access to the Blackboard Academic Learning system which helps them track the areas for improvement. Parents and caregivers are also invited to meet with the student's lecturers and academic staff to discuss their academic performance and explore ways to enhance it.

### LINKEDIN

Building your personal brand and your link to a world of opportunities

INTI has established a collaboration with LinkedIn that leverages its powerful connections, and offers training for students to create their personal brand and profile that elevates their opportunities for employability. Regular workshops are conducted to teach students how to create a compelling resume that will resonate with potential employers. With a complete, job-ready LinkedIn profile even before they graduate, INTI students have the perfect platform to build and enhance their personal brand.

# MAKE YOURSELF FUTURE READY

## INTI PRE-UNIVERSITY - THE FIRST STEP TO SUCCESS

Standing out from the crowd in a highly competitive job market requires you to have a decisive edge. The INTI Pre-University course not only prepares you for tertiary studies at the world's best academic institutions, it also empowers you with a holistic foundation of both soft skills and knowledge to succeed later in life. If you have your sights set on studying in a world-class university, the INTI Pre-University programme is the first step to success.

## INTI UNIVERSITY PLACEMENT SERVICES TEAM

The success story of every winner has a team backing them up every step of the way. To get you started on the road to success, INTI has a dedicated University Placement Services team that helps you take the guesswork out of applying for university.

Applying to a university abroad can be daunting, with the myriad of rules and regulations to comply with and multiple procedures to follow in the application process. INTI's experienced University Placement Services team can help with the entire process, making it less stressful and easier to understand. As a complimentary service for INTI students, the team is ever-ready to assist and offer the following services:

- Assistance with the application process for scholarships and university placements along with preliminary budgeting for living abroad
- Professional advice on selecting the best academic institution to fit a student's needs
- Advice to craft an effective study plan to meet the English language entry requirements for a selected academic programme
- Regular mock interview workshops to enable students to practice their skills before facing an actual university placement interview
- Assistance with facilitating a letter of recommendation for university applications for eligible students
- Special talks by invited speakers from overseas universities on succeeding in the university application process

## INDUSTRY ATTACHMENT PROGRAMME

A pioneer addition to the INTI Pre-University programme, students can volunteer for internships with accredited partners and learn more about the working world in a safe, supervised manner.

## PARENT / TEACHER CONSULTATION SESSIONS

To ensure students are progressing on the right path and caregivers are properly appraised of their child's progress, the INTI Pre-University course integrates regular parent-teacher meetings so that both sides can highlight any concerns that they have.

Student performance is also regularly monitored with an early warning system set in place to help bring them back on track should they fall behind or encounter challenges in their studies. For those who need further help, INTI has also provisioned Peer Assisted Study Sessions (PASS) where senior students help to guide academically poor students in order to improve their performance.

# WORLD-CLASS SUBJECT MATTER EXPERTS

The INTI Pre-University programme is staffed by some of the world's best lecturers as well as a team of respected Subject Matter Experts (SME). Each SME is an authority in their own field, offering specialised, world-class expertise in an important subject, business area or technical field, allowing INTI students exclusive access to their expert knowledge. INTI's SMEs also act to ensure that the courses offered at the INTI Pre-University programme continue to be relevant and are on par with the world's highest standards. The results speak for themselves.

## CAMBRIDGE A-LEVEL

Over the years, INTI has produced Cambridge A-Level students who have achieved Outstanding Cambridge Learner Awards. Recipients of the award are recognised as the world's best-scoring students, with INTI Pre-University students earning Top in the World and Top in Malaysia for Biology, Business, Economics, Law, Mathematics and Physics.

## SACE INTERNATIONAL

INTI Pre-University students were awarded the Highest SACE International Subject Achiever Award and SACE Merit Certificates for Accounting, Biology, Chemistry, English as Second Language Studies, Mathematical Studies, Research Project and Physics.

# CAMBRIDGE A-LEVEL (CAL)

Conducted by Cambridge  
Assessment International  
Education (Cambridge), this  
programme provides students  
with a wealth of options to study  
a wide range of professional  
courses at the best universities  
in the world. It also equips them  
with reasoning and thinking skills  
that are necessary for degree  
courses.

The CAL consists of two levels:  
the Advanced Subsidiary (AS)  
Level and the Advanced 2 (A2)  
Level.

## International recognition

The Cambridge A-Level is one of the most  
recognised qualifications around the world. For  
over 50 years, it has been accepted as proof of  
academic ability for entry into local and foreign  
universities and institutions of higher learning.

- Good A-Level grades are key to admission  
into the world's leading universities and  
institutions of higher learning
- Good A-Level grades can also result in  
one full year of advanced standing at  
universities in the United States  
and Canada

## Assessment

The Cambridge AS and A2 Level examinations  
are conducted in May / June and October /  
November. The May / June examination  
results are released in August, while October  
/ November results are released in January.  
Students will receive a certificate after  
completing the AS level examination and the  
A-Level certificate after completing both the AS  
level and A2 level examinations.

## Examination dates

\* Subject prerequisites apply.

\*\* Depending on your final degree choice. Please refer to Head of Programme for further clarification.

<sup>#</sup> Subject to campus availability.

\* Only available in Subang and Penang. Accounting in Penang campus is only offered for January intake.

\*\* Can only be taken as 4th subject in both campuses (Subang & Penang).

Please consult the programme counsellors on subject combinations before registering. Students are advised to refer to the respective universities for detailed information on subject prerequisites.

# SACE INTERNATIONAL

( formerly known as South Australian Matriculation – SAM )

This is a one-year matriculation programme, equivalent to Year 12 of education in Australia. It is currently the most popular Australian pre-university programme in Malaysia. Students will receive the South Australian Certificate of Education (SACE), issued by the SACE Board of South Australia.

### International recognition

SACE International is an internationally recognised matriculation programme, and has provided students with the opportunity to obtain the SACE in their own country and study at top universities in Australia, New Zealand, the United Kingdom, the United States and Asia.

### Assessment

Through the SACE International programme, students will obtain an Australian Tertiary Admission Rank (ATAR). ATAR is a percentile ranking which measures a student's overall performance in comparison to their peers upon completion of their study. The maximum ATAR is 99.95, which is awarded to the top 0.05% of students. It is the primary criterion used by the Australian universities to select students into undergraduate courses.

Assessment of individual subjects in the SACE International programme consists of two components:

- School assessment (70%)
- External examination (30%)

The school assessment component encourages independent learning and hones study skills for the University. Assessment tasks like projects, assignments and laboratory work are assigned year-long. Marks are submitted to the SACE Board to be moderated. External examinations are provided by the SACE Board and developed by examination panels that include secondary school and university representatives. Examination papers are marked in Australia to maintain high standards.

### Examination dates

March

### Offered at

INTI College Nilai  
(R2/010/3/0066)(06/22)(A8333)

INTAKE: MAY

### Duration

May intake:  
Semester 1: May to September  
Semester 2: October to March

### Subjects offered

- Accounting
- Biology
- Chemistry
- Economics
- English as an Additional Language
- Legal Studies
- Mathematical Methods
- Physics
- Psychology
- Research Project

### Recommended subject combinations

Different recommended subject combinations are available to provide students with a balanced mixture of subjects that meet the subject entry requirements for their university studies. Students are required to register for five subjects from ONE of the following combinations.

#### Medicine, Pharmacy, Dentistry, Life Sciences, Food Science & Nutrition, Health Sciences, Psychology

- Biology
- Chemistry
- English as an Additional Language
- Mathematical Methods
- Plus any one of the following: Physics (preferred for selected courses & universities), Accounting, Psychology or Research Project

#### Engineering

- English as an Additional Language
- Mathematical Methods
- Physics
- Specialist Mathematics
- Plus any one of the following: Chemistry (preferred for selected courses and universities) or Research Project

#### Actuarial Studies

- Economics
- Mathematical Methods
- Specialist Mathematics
- Plus any two of the following: English as an Additional Language, Accounting or Research Project

#### Information Technology Studies, Quantity Surveying

- English as an Additional Language
- Mathematical Methods
- Plus any two of the following: Economics, Accounting, Psychology, Legal Studies or Research Project

#### Accounting, Finance, Economics

- Accounting
- Economics
- English as an Additional Language
- Mathematical Methods
- Plus any one of the following: Legal Studies, Specialist Mathematics, Psychology or Research Project

#### Law, Mass Communication, Social Science, Psychology

- English as an Additional Language
- Plus any four of the following: Legal Studies, Economics, Psychology, Mathematical Methods, Accounting or Research Project

# FOUNDATION IN ARTS

This programme is specially designed to prepare students for the field of communication. It also has few subjects that allows students to venture into Business, Psychology and Sociology. There are four major communication subjects to enhance understanding in the field of communication. As these subjects are also substantial in business degree programme, students have the option to choose electives or pathway of Business or Psychology. Students are also given an insight into creative and critical side of writing to prepare them for an ultimate unique career.

### Mass Communication Pathway

This programme is designed to enhance communication skills and media literacy skills required of future media practitioners. Students will be given an insight into the creative and critical side of writing, to prepare them for a career that requires the use of words and images to creatively and effectively communicate ideas via media such as television, radio, newspapers and the Internet.

### Business Management Pathway

This programme will also allow students to study courses relevant to their desired degrees in the areas of management. These courses provide a fundamental understanding of concepts and principles of how an organisation works, organisational structure and behavior, market structure and consumer behavior.

### Assessment

Assessment of individual courses in this programme consists of two components:

- Continuous coursework (50%)
- Final examination (50%)

The continuous coursework component comprises different assessment tasks such as projects, assignments, laboratory work, presentations, tests, and others as assigned throughout each semester. The final examination is conducted at the end of each semester. The assessments are subject to quality assurance procedures to maintain high standards and ensure fair assessment.

### Offered at

INTI International University  
(R2/010/3/0092)(04/23)(A8768)

INTAKES: JAN, MAY & AUG

INTI International College Subang

INTAKES: JAN, APR & AUG

### Duration

1 Year

### Progression

Students who have successfully completed the Foundation in Arts can choose to enter the following undergraduate programmes:

#### Mass Communication

- 3+0 BA(Hons) Mass Communication, in collaboration with University of Hertfordshire, UK
- Bachelor of Mass Communication (Hons)

#### Business

- Bachelor of Business (Hons) with Psychology
- 3+0 Bachelor of Business (major in Finance/ Accounting/ Marketing/ Management/ International Business / Human Resource Management), in collaboration with Swinburne University of Technology, Australia
- 3+0 BA(Hons) Marketing, in collaboration with University of Hertfordshire, UK
- 3+0 BA(Hons) Event Management & Marketing, in collaboration with University of Hertfordshire, UK

### Courses offered

- Basic Computing
- English Language Skills 1
- English Language Skills 2
- Fundamentals of Business Management
- General Studies
- Human Communication
- Introduction to Business Studies
- Introduction to Intercultural Communication
- Introduction to Mass Media
- Self-development Skills
- Skills for Creative Thinking

#### Electives\* (Please choose one Combination)

- Basic Sociology
- Digital Communication
- Fundamentals of Psychology
- Macroeconomics
- Microeconomics
- Visual Communication

#### Combination 1

- Digital Communication
- Visual Communication

#### Combination 2

- Macroeconomics
- Microeconomics

#### Combination 3

- Basic Sociology
- Fundamentals of Psychology

Please consult our education counsellor on subject offering.  
Please consult the programme counsellors on subject combinations before registering.  
Students are advised to refer to the respective universities for detailed information on subject prerequisites.

\* Offering of electives, please consult the Head of Programme.

# FOUNDATION IN SCIENCE

This programme prepares students for admission into Science or Engineering-related degree courses at INTI. It is also an exit certificate course that enables students to apply directly to other universities in Malaysia. It is designed to equip students with solid fundamental knowledge that will enable them to pursue their degree studies in the areas of Biotechnology, Engineering, and Allied Health Sciences.

Students have a choice of Engineering, Biological Science or Pure Science. Those who wish to pursue engineering based programmes need to take engineering elective subjects and those who wish to pursue biology based programmes need take the biological science elective subjects. However, students who opt for the pure science pathway can pursue their studies in engineering or any science based undergraduate programme.

\* Applicable to INTI International University only.

## Assessment

Assessment of individual courses consists of two components:

- Continuous coursework (50%)
- Final examination (50%)

The continuous coursework component comprises different assessment tasks such as projects, assignments, laboratory work, presentations, tests, and others as assigned throughout each semester. The final examination is conducted at the end of each semester. The assessments are subject to quality assurance procedures to maintain high standards and ensure fair assessment.

## Offered at

INTI International University  
(R2/010/3/0198)(03/24)(A10019)

INTAKES: JAN, MAY & AUG

INTI International College Subang  
(N/010/3/0445)(04/22)(MQA/FA8898)

INTI International College Penang  
(N/010/3/0422)(09/21)(MQA/FA8334)

INTAKES: JAN, APR & AUG

## Duration

1 Year

## Progression

Students who have successfully completed the Foundation in Science can choose to enter the following undergraduate programmes:

### Medical & Health Sciences

- B.Sc. (Hons) Physiotherapy
- Bachelor of Traditional Chinese Medicine (Hons)

### Biotechnology & Life Sciences

- Australian Degree Transfer Programme (Science)
- Bachelor of Biotechnology (Hons)

### Engineering

- 3+0 B.Eng. (Hons) in Electrical & Electronic Engineering, in collaboration with Coventry University, UK
- B.Eng. (Hons) in Civil Engineering
- B.Eng. (Hons) in Mechanical Engineering
- B.Sc. (Hons) Quantity Surveying

## Computing & IT

- Bachelor of Information Technology (Business Analytics), in collaboration with Coventry University, UK
- Bachelor of Computer Science (Mobile Computing / Software Engineering / Network and Security / Business Analytics / Cloud Computing), in collaboration with Coventry University, UK
- 3+0 Bachelor of Science in Computer Science, in collaboration with Coventry University, UK
- 3+0 Bachelor of Science in Computing, in collaboration with Coventry University, UK
- 3+0 Bachelor of Computer Science in collaboration with Swinburne University of Technology, Australia

## Courses offered

- Chemistry 1
- Chemistry 2
- English Language Skills 1
- English Language Skills 2
- General Studies
- Mathematics 1
- Mathematics 2
- Self-development Skills
- Skills for Creative Thinking

### Elective papers for Biological Science/ Bioscience\* Pathway

- Basic Computing
- Biology 1
- Biology 2
- Statistics

### Elective papers for Pure Science / Other Science Area\* Pathway

- Biology 1
- Biology 2
- Physics 1
- Physics 2

### Elective papers for Engineering Pathway

- Physics 1
- Physics 2
- Engineering Mechanics
- Basic Computing

# FOUNDATION IN BUSINESS INFORMATION TECHNOLOGY

This programme is for students who want to pursue a Business or IT degree. In the first semester, students will study common subjects and subsequently, have the option of choosing their pathway in Business or IT.

## Business pathway

Students will study courses relevant to their desired degrees in the areas of management and accounting. These courses provide a fundamental understanding of concepts and principles of how an organisation works, organisational structure and behaviour, market structure, and consumer behaviour.

## IT pathway

Students will take up Programming Techniques and Introduction to Database Management System. At INTI International College Subang, students will take Advanced Mathematics. These courses are designed to enable an understanding of the technical and humanistic aspects of computing.

*The IT pathway is not available in Sabah*

## Assessment

Assessment of individual courses in the Foundation Programme consists of two components:

- Continuous coursework (50%)
- Final examination (50%)

The continuous coursework component comprises different assessment tasks such as projects, assignments, laboratory work, presentations, tests, and others as assigned throughout each semester. The final examination is conducted at the end of each semester. The assessments are subject to quality assurance procedures to maintain high standards and ensure fair assessment.

## Offered at

INTI International University  
(R2/010/3/0199)(04/24)(A4602)

INTAKES: JAN, MAY & AUG

INTI International College Subang  
(R2/010/3/0268)(12/24)(A10123)

INTI International College Kuala Lumpur  
(R/010/3/0136)(06/23)(MQA/FA2751)

INTI International College Penang  
(R2/010/3/0003)(10/2025)(A11600)

### Foundation in Business

INTI College Sabah  
(R2/010/3/0259)(06/24)(A10005)

INTAKES: JAN, APR & AUG

## Duration

1 Year

## Progression

Students who have successfully completed the Foundation in Business Information Technology can choose to enter the following undergraduate programmes:

### Business

- Australian Degree Transfer Programme (Commerce)
- Bachelor of Accountancy (Hons)
- Bachelor of Business (Hons) (Accounting / Business Administration / Finance / Marketing / Human Resources Management / International Business / Psychology / Logistic and Supply Chain Management) in collaboration with University of Hertfordshire, UK
- 3+0 BA (Hons) Accounting & Finance, in collaboration with University of Hertfordshire, UK
- 3+0 BA (Hons) Business Administration, in collaboration with University of Hertfordshire, UK
- 3+0 BA (Hons) Finance, in collaboration with University of Hertfordshire, UK
- 3+0 BA (Hons) Marketing, in collaboration with University of Hertfordshire, UK
- 3+0 BA (Hons) Event Management & Marketing, in collaboration with University of Hertfordshire, UK
- 3+0 Bachelor of Business in collaboration with Swinburne University of Technology, Australia

### Computing & IT

- Bachelor of Information Technology (Business Analytics), in collaboration with Coventry University, UK
- Bachelor of Computer Science (Mobile Computing / Software Engineering / Network and Security / Business Analytics / Cloud Computing), in collaboration with Coventry University, UK
- 3+0 Bachelor of Computer Science (major in Cybersecurity /Data Science /Network Design / Software Development), in collaboration with Swinburne University of Technology, Australia
- 3+0 Bachelor of Science in Computer Science, in collaboration with Coventry University, UK
- 3+0 Bachelor of Science in Computing, in collaboration with Coventry University, UK

## Courses offered

- Advanced Mathematics\*\*
- Basic Computing
- English Language Skills 1
- English Language Skills 2
- Fundamentals of Accounting
- Fundamentals of Business Management
- Fundamentals of Mathematics
- General Studies
- Data Communications and Networking\*
- Introduction to Business Studies
- Introduction to Database Management System\*
- Macroeconomics
- Microeconomics
- Programming Techniques\*\*
- Self-development Skills
- Skills for Creative Thinking
- Business Statistics

\* Only available in INTI International University.  
\*\* Only available in INTI International University and INTI International College Subang.

# FOUNDATION IN DESIGN

The Foundation in Design programme offers a broad-based scope for exploration and experimentation that will enable students to become independent thinkers, creators or designers. Students are exposed to topics and projects which will allow them to become creative thinkers and find practical applications that can be translated into working ideas and designs.

The programme also enables students to develop a range of practical skills and fundamental knowledge in art and design, preparing them for smooth progress to a design degree of their choice.

## Highlights

- Pathway to a quality UK Design Degree offered at INTI
- The curriculum covers broad theoretical and practical design skills
- Teaching and learning is supported by experienced lecturers, ensuring a smooth progression to degree studies
- Specialist lecturers who are also design professionals
- Experiential and innovative learning via Project-based learning
- The programme and curriculum emphasise multi-cultural perspectives
- Design-driven learning environment with state-of-the-art facilities

## Offered at

INTI International College Subang  
(R/010/3/0417)(03/22)(MQA/FA1292)

**INTAKES: JAN, APR & AUG**

## Duration

1 Year

## Programme structure

- 3D Design
- Critical Studies
- Design Communication Skills 1
- Design Communication Skills 2
- Design Theories to Practices
- Design Project
- English Language Skills 1
- English Language Skills 2
- General Studies
- History of Art & Design
- Portfolio Design
- Self-development Skills
- Skills for Creative Thinking

# HEAR WHAT OUR ALUMNI SAY

“I must confess, before enrolling in INTI, I had low hopes of being a top achiever as I heard that it was one of the hardest pre-u courses around. Being surrounded and guided by good lecturers proved it was possible and I achieved CGPA 3.88. I've learned that to excel, one must be comfortable asking questions; don't be shy to tap your lecturer's brains. Understanding a topic is the key to mastering it.”

**AU YONG TIEN WAY**  
Foundation in Science

“I think INTI's greatest asset is its formidable team of lecturers. They are helpful, knowledgeable and give whole-hearted guidance and motivation to their students. INTI's renowned teaching system has helped me to achieve excellent results beyond my wildest dreams. Having completed my pre-university programme, I look forward to pursuing my degree and continuing on to a law-related career where I can contribute to society.”

**EUGENE ONG WAY HAN**  
Cambridge A-Level

“Like many, I gravitated to INTI because of its stellar reputation for providing high-quality education, international collaborations with prestigious universities. Personally, what makes INTI stand out from other academic institutions is its strong focus on self-development. My lecturers constantly encouraged us to think about ways to contribute back to society, beyond achieving our personal goals and excelling academically.”

**KHOO YAN YING**  
Cambridge A-Level

“A good teacher can bring out the best in their students and the caring staff at INTI are living examples. Thanks to the gentle guidance from my lecturers, I've grown into a more mature, independent person who is able to make the most of my time in INTI. From participating in cool science projects to making the Dean's list twice, I have many fond memories of this place.”

**THIVYA DASS A/P PERUMAL DASS**  
Foundation in Science
